Journal day 1

My name is Alisha I was born in Australia and my parents are from Pakistan. We have started online school today and it was so fun! It was amazing to see all my friends and teachers faces after such a long time. Online school is very efficient for me because I can work quietly and calmly, this also helps me to get work finished faster. I can call my friends during recess and lunch! In Math's we are learning about data and in Drama we are preparing for a play! I love online learning, but I can't wait to see all my friends and teachers soon!

Stay safe!
